As a Detective I have been assigned to Patrol Division West Investigations, Clinton Section Investigations, Special Operations Section Tactical Unit Investigations, and the Special Investigations Section. During my time in the Special Investigations Section and the DEA Rochester Resident Office, I have participated in several long-term narcotics investigations that utilized the court-authorized interception of wire communications that resulted in the arrest of drug distributors and seizures of quantities of controlled substances and firearms. I have been a case agent and a co-case agent on Title III investigations; I have written affidavits for eavesdropping of cellular instruments; I have written affidavits for the monitoring and recording of visual, non-verbal conduct of individuals/locations pursuant to the lawful installation of closed-circuit television (commonly referred to as CCTV); I have monitored phone lines during Title III investigations, as well as intercepted and deciphered cryptic conversations involving drug and marijuana dealers and traffickers on numerous occasions during the course of these investigations; I have monitored CCTV during the Title III investigations and made observations involving drug and marijuana dealers and traffickers on numerous occasions. I am familiar with the habits, methods, routines, practices, and procedures commonly employed by persons engaged in the armed trafficking of illegal drugs. In addition, I have had the opportunity to work with other experienced narcotics officers on the Local, State, and Federal levels that all possess varying levels of experience and who have

all investigated drug distribution networks and individual distributors. These narcotics officers have further provided your affiant with a basis of knowledge and further educated your affiant on the various characteristics and/or methods of distribution of these trafficking organizations and/or individual distributors.

Purpose of Affidavit

2) This affidavit is submitted in support of a criminal complaint for the limited purpose of establishing probable cause to believe that CHRISTOPHER MAJOR (hereinafter “**MAJOR**”) has violated Title 21, United States Code, Section 841(a)(1) & 841(b)(1)(B) (possession with intent to distribute 500 grams or more of cocaine).

3) The assertions made herein are based solely upon my personal knowledge or upon information I have received from members of the Rochester Police Department involved in this investigation. Further, I have had discussions with officers involved in this investigation who have confirmed the accuracy of the information contained within this affidavit. Since this affidavit is being submitted for a limited purpose, I have not included each and every fact that I know concerning this investigation. Rather, I have set forth only those facts that relate to the issue of whether probable cause exists to believe that the defendant committed the above-mentioned offenses. In support thereof, I respectfully state the following:

Background of Investigation

4) Since December of 2024, members of the Rochester Police Department – Special Investigations Section, hereinafter “Investigative Team,” have been investigating the

illegal narcotics distribution occurring at 50 Sixth Street, Rochester, New York and the illegal narcotics distribution activities of Christopher **MAJOR**, aka "Late Nite."

5) During the investigation, the Investigative Team received information from and utilized Confidential Sources, hereafter CSs. The identity of each CS is known to members of the Investigative Team. Members of the Investigative Team have established and corroborated the truthfulness and reliability of each CS through surveillance and independent investigation where possible.

6) The Investigative Team learned from a CS that a black male known as "Late Nite" was responsible for operating the drug sales operation at 50 Sixth Street, Rochester, NY. Through searches of law enforcement and public databases, the Investigative Team learned that Christopher **MAJOR** has been documented with an alias of "Late Nite." Additionally, the Investigative Team learned that **MAJOR** had been documented as running a drug house at 457 Verona Street in 2023.

7) A search of law enforcement database also revealed that 25/27 Myrtle Street was documented as an active drug sales location in 2024. In February of 2025 Investigative Team learned that **MAJOR** has utility services with Rochester Gas & Electric in his name at 50 Sixth Street, 707 North Plymouth Avenue, and 182 Ferncliffe Drive, all in Rochester, NY. The Investigative Team also learned from Rochester Gas & Electric that the utility account at 457 Verona Street – Upstairs Apartment is in the name of T.D. with a telephone number of 585-851-1812. The Investigative Team further discovered that telephone number 585-851-1812 is a phone number associated with the "CashApp" profile associated with **MAJOR**, which utilizes username "\$lazypablo28". A search of law enforcement and Department of Motor Vehicle databases revealed that **MAJOR** has 182 Ferncliffe Drive documented as his

residence. In April of 2025, the Investigative Team also learned from Rochester Gas & Electric that the utility account at 100 Bleacker Road is in the name of S.C.

Surveillance of Christopher MAJOR

8) Through the use of both video and physical surveillance, the Investigative Team observed **MAJOR** operating the blue 2010 Chevrolet Silverado, bearing New York State registration LHJ8134, hereafter Target Vehicle, on numerous occasions at both 182 Ferncliffe Drive and 50 Sixth Street. **MAJOR** was observed to typically park the Target Vehicle in the driveway of 50 Sixth Street, and **MAJOR** was observed to enter the residence for typically only a matter of several minutes. **MAJOR** was observed to travel from his home of 182 Ferncliffe Drive directly to 50 Sixth Street on numerous occasions. On several days, **MAJOR** travelled to the same few addresses of 182 Ferncliffe Drive, 50 Sixth Street, the 100 block of Lyell Avenue, and the vicinity of 25/27 Myrtle Street. On several occasions, **MAJOR** was observed to park in the area of the Lyell Avenue and Verona Street (the vicinity of the 100 block of Lyell Avenue) then walk to 457 Verona Street.

9) Throughout the investigation, investigative team members utilized pole camera footage in the area of 50 Sixth Street, 25/27 Myrtle Street, and 100 Bleaker Road to observe **MAJOR** arriving and leaving the locations on numerous occasions. Investigators also utilized a Rochester City blue light camera in the area of 457 Verona Street to observe **MAJOR** parking and walking down the area of Verona Street.

10) On February 21, 2025, members of the Rochester Police Department did conduct a traffic stop on the Target Vehicle after it departed 50 Sixth Street. During this traffic stop, **MAJOR** was identified as the driver and sole occupant of the vehicle.

11) On February 17, 2025, Honorable Julie Hahn, Monroe County Court Judge, authorized and signed a court order for the installation and monitoring of a GPS/Tracking Device on the Target Vehicle.
